# Venue

LKCE 2017 will take place once again in Hamburg. Hamburg is a waterside metropolis with its majestic Elbe river of course, but also with smaller rivers and canals branching out all over Hamburg. Come and visit our world-class Opera House, the Elbphilharmonie.

This year's LKCE will once again take place in Hamburg's Curio-Haus. The venue is a charming 106 years-old event location close to the center.

Today it is one of Hamburgs most famous and popular event location due to its amazing architecture, high-class catering and central location.

Curio-Haus delights hundreds of people every year with its architecture from the early 20th century.
